

Providing a real alternative for Parents Associations' insurances

Protecting Parent Associations

Every parent association - whether in a small country town or a large metropolitan centre - faces a range of risk exposures.

Despite the fact that you may be a Not for Profit entity with a focus on your local school community, each organisation and the people who manage it face a broad range of potential risks including:

- Claims from third parties for personal injury or property damage;
- Liability claims for breach of duty as an officer of the association;
- Claims for improper treatment of an employee;
- Loss of canteen equipment, canteen and uniform stock and other association assets through fire, burglary, storm etc;
- Theft of or fraudulent misappropriation of association funds or assets;
- Deterioration of canteen stock due to the sudden breakdown of equipment;
- Injury to an employee;
- Injury to voluntary workers resulting in out of pocket expenses or more serious hardship.

More detailed information on the exposures faced by your association can be found in our brochure "*Parents Association - What Are My Risks?*"

A New Approach to Insurance

Previous insurance solutions for parent associations have tended to be complex with confusing levels of coverage as well as difficult to understand and expensive add-ons.

Following feedback from its members, Healthy Kids Association sought to find an alternative that:

- Is cost effective and simple in its delivery;
- Provides a level of coverage to address the minimum exposures that face all associations;
- Shows insurance costs that are separate and transparent from any membership charge.

Community Underwriting is a specialist provider of insurance for the Not for Profit sector, with its origins in an insurance facility managed by NSW Meals on Wheels for over 20 years. Today it is an underwriting agency owned by its Not for Profit clients.

Community Underwriting has agreed to provide Healthy Kids Association members with a competitive package which provides a minimum level of coverage for all parent associations.

Individual associations can then purchase cover for their specific requirements where necessary, from an easy selection of additional policy limits.

The 2018 Essentials Package

The Community Underwriting Parents Association Essentials Package recognises that every association needs to have access to a cost effective insurance solution that will respond to the needs of the association and its members.

It provides parent associations with a minimum benchmark of insurance protection with automatic coverage for:

Damage to association assets including stock as a result of fire, malicious damage, storm and nominated perils including accidental damage (10% of the sum insured)	\$5,000
Extra costs to maintain association operations following either loss of assets insured above or external events (e.g a school fire)	\$5,000
Theft of association assets including stock	\$5,000
Theft or loss of money	\$2,000
Legal liability for personal injury or property damage to third parties	\$50m
Association liability including <ul style="list-style-type: none"> Personal liability of the officers and the association entity Professional liability Employment practices liability Loss of money or assets through fraud (limited to \$50,000 any one loss) Statutory fines and penalties Libel and slander / defamation Tax audit expenses Crisis consultancy expenses <p>* Note this is a an aggregate limit for each Association with 1 automatic reinstatement of the limit during the policy period</p>	\$1m*

Included Benefits

There are a range of automatic benefits / included covers that are treated as optional extras under other insurance products. These include:

- Automatic 50% increase in the property and money sums insured for 60 days for the start of

summer and winter terms and for any fete, art or craft show or fundraising event;

- Automatic increase in money sum insured to \$20,000 for school fetes provided the money is banked within 48 hours;
- General liability coverage for \$50m applies for all activities of the parent association including fund raising events without additional premium (other than OOSH, after hours and vacation care activities);
- Tutors and Infants' Parent Clubs and drivers transporting students under contract automatically included.

Policy Excess

Each policy section is subject to specific excesses that are payable in the event of a claim. These include:

Property insurance	\$100
Theft of property	\$100
Business interruption	24 hours
Theft or loss of money	\$100
General liability	Nil
Association liability	\$50 / \$250 fraud

Annual Cost

If your association has not lodged an insurance claim in the last 3 years, the annual cost for the Essentials Package is \$700 including all fees and charges. (\$458 if using the P & C Federation liability).

This cost applies irrespective of the size, location or type of school.

If your association has lodged a claim in the last 3 years, insurance is still available. Insurers need to obtain some additional information to better understand your individual risk and any work you have undertaken to prevent a similar loss from occurring.
