

Not for Profit General Liability Policy

Making a real difference to the way insurance is provided
to the Not for Profit sector

Community Underwriting - Our Story

Community Underwriting operates under a unique business model in the Australian insurance market.

Our story begins over 25 years ago when the NSW Meals on Wheels Association assisted a few member Services that were having difficulty obtaining insurances at a reasonable cost.

That grew over the next twenty years into a comprehensive insurance facility assisting over 800 Not for Profits around Australia. In 2014 we created a change in the way that the facility provided insurance to Not for Profit organisations.

Today we are an underwriting agency majority owned by our larger Not for Profit clients, returning our surplus funds back into the sector.

Our 25 year heritage and being uniquely owned by the sector gives us a level of knowledge and empathy that is difficult to match in a corporate insurance organisation.

Our business model is tangible proof of this difference. Each year seventy percent of our surplus is returned to our Not for Profit shareholders as donations.

A further five percent of our surplus is set aside each year to fund a small grants program for our non shareholder clients. Our insurer partners now add to this grants pool to enable us to expand even further the number of clients that we are able to assist.

Join us in making a real difference to the way insurance is provided in our sector.
