About Community Underwriting

Community Underwriting operates under a unique business model in the Australian insurance market. Our story begins over 25 years ago when the NSW Meals on Wheels Association assisted a few member Services that were having difficulty obtaining insurances at a reasonable cost. That grew over the next twenty years into a comprehensive insurance facility assisting over 800 Not for Profits around Australia. In 2014 we created a change in the way that the facility provided insurance to Not for Profit organisations.

Today we are an underwriting agency majority owned by our larger Not for Profit clients, returning our surplus funds back into the sector.

Our 25 year heritage and being uniquely owned by the sector gives us a level of knowledge and empathy that is difficult to match in a corporate insurance organisation.

Our business model is tangible proof of this difference. Each year seventy percent of our surplus is returned to our Not for Profit shareholders as donations. A further five percent of our surplus is set aside each year to fund a small grants program for our non shareholder clients. Our insurer and broker partners now add to this grants pool to enable us to expand even further the number of clients that we are able to assist.

As with any other part of Our premium, it is subject to government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

Declared values

The Schedule of Declared Values at each Situation (in accordance with the applicable Basis of Settlement) attaches to and forms part of this Policy for the purpose of the application of Coinsurance.

Reinstatement and replacement

(Applicable to buildings, machinery, plant and all other property and contents; other than those specified in items (b) to (i) under Basis of Settlement).

The Basis upon which the amount payable is to be calculated shall be the cost of reinstatement of the damaged property at the time of its reinstatement, subject to the following provisions and subject also to the terms, conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy.

For the purpose of the insurance under this memorandum "reinstatement" shall mean:

- (a) Where property is lost or destroyed; in the case of a building, the rebuilding thereof, or in the case of property other than a building, the replacement thereof, by similar property, in either case in a condition equal to but not better or more extensive than its condition when new.
- (b) Where property is damaged; the repair of the damage and the restoration of the damaged portion of the property to a condition substantially the same as but not better or more extensive than its condition when new.

Provisions

- (i) The work of rebuilding, replacing, repairing or restoring, as the case may be (which may be carried out upon any other site(s) and in any manner suitable to the requirements of the Insured, but subject to the liability of the Insurer(s) not being thereby increased), must be commenced and carried out with reasonable dispatch, failing which the Insurer(s) shall not be liable to make any payment greater than the indemnity value of the damaged property at the time of the happening of the damage.

(ii) When any property insured to which this Memorandum applies is damaged in part only, the liability of the Insurer(s) shall not exceed the sum representing the cost which the Insurer(s) could have been called upon to pay for reinstatement if such property had been wholly destroyed.

(iii) Property insured under this memorandum is separately subject to the following Coinsurance clause: -

in the event of damage to any property insured hereunder at any situation caused by an event hereby insured against, the Insurer(s) shall be liable for no greater proportion of such damage than the amount that the Insured's declaration of value of property insured at such situation on the day of the commencement of the Period of Insurance bears to the sum representing eighty-five per cent (85%) per cent of the cost which would have been incurred in reinstatement if the whole of the such property had been destroyed on that day, but not exceeding the Limit of Liability expressed in the Schedule; provided that if the sum actually incurred or expended in rebuilding or replacing the damaged property, within the meaning of sub-paragraph (a) of the above mentioned definition of reinstatement, exceeds the amount which would have been payable under this Policy if this memorandum had not been incorporated herein, but is less than the cost of reinstatement as above defined, then the sum so actually incurred or expended shall, for all purposes of this memorandum, be deemed to be the cost of reinstatement of the property.

Provided further that the above Clause shall not apply if the amount of the damage does not exceed five (5) per cent of the amount of the Insured's declaration aforementioned.

(iv) No payment beyond the amount which would have been payable under the Policy if this Memorandum had not been incorporated herein shall be made until a sum equal to the cost of reinstatement shall have been actually incurred; provided that where the Insured reinstates or replaces any lost or destroyed property at a cost which is less than the cost of reinstatement (as defined) but greater than the value of such property at the time of the happening of its loss or destruction, then the cost so incurred shall be deemed to be the cost of reinstatement.

(v) All other Industrial Special Risks and/or Fire and Named Perils insurances covering the property effected by or on behalf of the Insured shall be on a similar reinstatement basis.

Extra cost of reinstatement

(Applicable to buildings, machinery, plant and all other property and contents; other than those specified in items (b) to (i) under Basis of Settlement).

This Policy extends to include the extra cost of reinstatement (including demolition or dismantling) of the damaged property necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority; subject to the following Provisions and subject also to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of the Policy.

Provisions

(i) The work of reinstatement (which may be carried out wholly or partially upon any other site(s), if the requirements of the aforesaid Act, Regulation or By-Law so necessitate, subject to the liability of the Insurer(s) not being thereby increased, must be commenced and carried out with reasonable dispatch, failing which the Insurer(s) shall not be liable to make any payment beyond the amount which would have been payable under this Policy if this memorandum had not been incorporated herein.

(ii) The amount recoverable shall not include the additional cost incurred in complying with any such Act, Regulation, By-Law or requirement with which the Insured had been required to comply prior to the happening of the damage.

(iii) Coinsurance shall not be applied to the amount recoverable under this memorandum and any amount specified shall not be taken into account for coinsurance purposes in terms set out in any clause contained in the Policy.

(iv) All other Industrial Special Risks and/or Fire and Named Perils insurances covering the property effected by or on behalf of the Insured shall be on a similar basis.

(v) If the cost of reinstatement of the damaged property insured is less than fifty per cent (50%) of that which would have been the cost of reinstatement if such property had been destroyed, the amount recoverable shall be limited to:-

(a) the extra cost necessarily incurred in reinstating only that portion damaged; or

(b) whilst applying to such property insured, the Sub Limit stated herein, whichever is the greater. In the event of a Sub Limit not being stated in the Policy the Insurer(s) liability shall be limited to the amount as described in sub-paragraph (a) of this provision.

Floor space ratio index (plot ratio)

Subject to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy, in the event of the building(s) being damaged so as to constitute total loss or constructive total loss and, as a result of the exercise of statutory powers and/or authority by any Government Departments, Local Government or any other Statutory Authorities reinstatement of such building(s) as before is prohibited and reinstatement is only permissible subject to a reduced floor space ratio index:-

the Insurer(s) agree(s) to pay in addition to any amount payable on reinstatement of the such building(s) the difference between:-

- (a) the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index and
- (b) the cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable.

In arriving at the amount payable under (a) and (b) above any payments made by the Insurer(s) shall include the extra cost of reinstatement, including demolition or dismantling of the insured property, necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority.

Any payment made for the difference between (a) and (b) above shall be made as soon as the said difference is ascertained upon completion of the rebuilding works and certified by the architect acting on behalf of the Insured in the reinstatement of the building(s).

Acquired companies

This Policy extends to include property located in Australia belonging to companies and other organisations a controlling interest in which is acquired by the Insured during the currency of the Policy; subject to the Insured declaring details of such acquisition within a reasonable period following the date of acquisition. Provided the Business of the new acquisition shall be similar to the Business as stated in the Schedule.

For the purposes of this Memorandum a controlling interest shall in the case of a Company, mean the acquisition of shares carrying more than fifty per cent (50%) of votes capable of being cast at a general meeting of ordinary shareholders in such Company.

Coinsurance

Unless otherwise stated herein to the contrary, this Policy is subject to the following Coinsurance memorandum:

In the event of damage to property insured hereunder at any situation caused by any event hereby insured against, the Insurer(s) shall be liable for no greater proportion of such damage than the amount of the Insured's declaration of value of such property on the day of the commencement of the Period of Insurance bears to the sum representing eighty five per cent (85%) of the actual value of property insured at such situation on the day of commencement of the Period of Insurance but not exceeding the Limit of Liability expressed in the Schedule.

Provided that this clause shall not apply if the amount of any damage does not exceed 5% of the amount of the Insured's declaration aforementioned.

It is expressly understood and agreed that the provisions of this Coinsurance Memorandum shall not apply in respect of that part of any claim which is made under the provisions of the Reinstatement and Replacement Memorandum.

Section 2 – Consequential Loss

Provided that the Insurer(s) will not be liable for any loss under this section unless the Insured's property lost, destroyed or damaged is insured against such Damage (loss arising out of destruction or damage by explosion of Boilers and/or Economisers excepted) and the Insurer or Insurers by which such property is insured shall have paid for, or admitted liability in respect of such Damage unless no such payment shall have been made or liability shall not have been admitted therefore solely owing to the operation of a provision in such insurance excluding liability for loss below a specific amount.
