Assessment

The allocation of funds is at the absolute discretion of Community Underwriting Agency. Applications will be assessed considering:

- The amount of funding available for distribution and the number of applications received;
- Evidence of demonstrated need;
- Transparency of financial reporting;
- Past, present and future demand for indicated activities;
- The degree of any overlap and collaboration with other organisations;
- The perceived ability of the organisation to deliver the project.

Types of applications that will NOT be considered:

- Shareholders of Community Underwriting;
- Projects or activities that duplicate existing resources;
- Projects or activities that are connected with any political activity, demonstration and /or protest;
- Funding for core costs or general operating income;
- Debt retirement and budget deficits.

Funding Agreement

A funding agreement will be provided to each approved organisation. The document will provide funding, payment schedule and acquittal requirements for the specific project.

It outlines the funding conditions and partnership roles and responsibilities between Community Underwriting and the successful organisation.

Marketing and Branding

Successful applicants are encouraged to promote their partnership with Community Underwriting. The aim is to increase awareness of the Community Underwriting business model to attract more clients and increase the amount of grant funds available every year.
